

INTENSIVE SEMINAR FOR LAW ENFORCEMENT PROFESSIONALS

Our Conference Modules: lectures, conferences, discussions, work-shops on the following topics:

- Historic development of policeforces in Europe.
- The structure of the police in Germany and the cooperation between the different law enforcement bodies.
- The German judicial system.
- Organized Crime and Terrorism in Europe.
- Measures to decrease the crime rate; possibilities of crime prevention, citizens' participation.
- International and European cooperation – Interpol and Europol.
- Data protection vs. search for criminals.
- Witness Protection.
- Public relations in Law Enforcement.
- Drug trafficking, ongoing struggle to combat the drug trade.

Our Contact Modules: Visits of government agencies, police headquarters and institutions, meetings with German and European experts, exchange of ideas:

- Visiting police stations of smaller towns and cities in Germany and Luxemburg.
- Visit the penal institutions for youths (JVA) and the prison in Saarbrücken.
- Meeting at the ministry of the interior in Saarbrücken; reception with Annegret Kramp-Karrenbauer, the Minister of Interior.
- The BKA / the Federal Criminal Police Office and the State Authority for the Defence of the Constitution in Wiesbaden.
- The BGS / the Federal Border Guard at Frankfurt airport. An intense review of current security practices at Europe's most important airport.
- Travel to Switzerland: exchange of ideas with the Züricher Stadtpolizei, Zürich City Police.
- Travel to France: the general office of the Police in France

Our Creativity and Culture Modules:

- Relax and have fun at the evening experiencing European sports and games.
 - Learn more about European history and traditions.
 - Visit fascinating cities with important monuments as well as small towns and villages with their special ambiance; Establish contact and get to know the European people firsthand.
-
